International Conference on Spectral Theory and Approximation

August 14–18, 2023
Lund University, Campus LTH, Sweden

Version of August 9, 2023

Preface

The conference is sponsored by the Swedish Research Council through Grant No. 2018–03500 and The Crafoord Foundation.

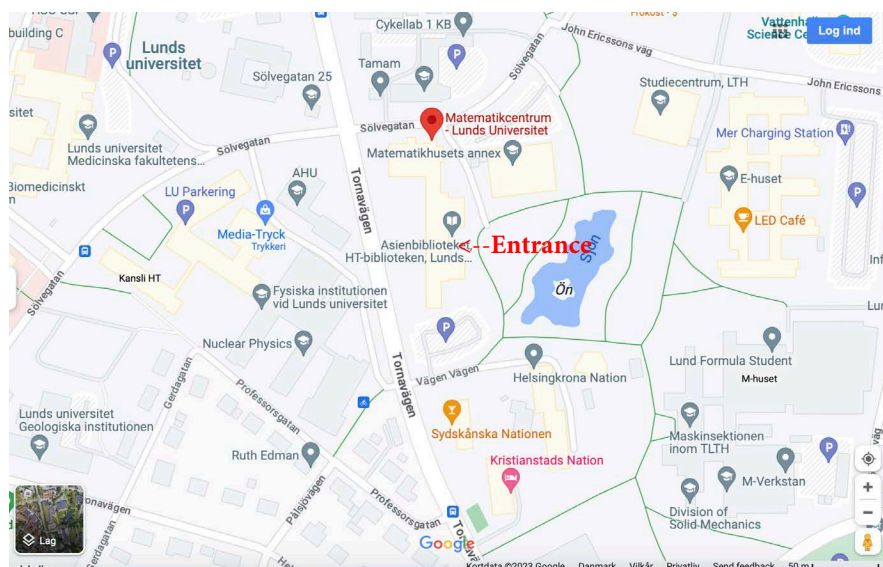

The organizing committee comprises the following members: Jacob Stordal Christiansen (Lund University), Henrik Laurberg Pedersen (University of Copenhagen), Mikael Persson Sundqvist (Lund University), and Frank Wikström (Lund University). Their efforts are further supported by Germán Miranda (Lund University) and Olof Rubín (Lund University) from the local team.

More information about the conference can be found at <https://icsta.se>

Conference venue

All talks will take place at Hörmandersalen situated on the ground floor in Matematikhuset at the LTH Campus, Lund University. The exact address is Sölvegatan 18A, 223 62 Lund.

Note that the entrance is on the east side of the building (see the map below). The lecture room is equipped with large black boards along with two projectors.

Registration

Monday morning from 9:30 to 10.00 in front of Hörmandersalen. Remember, if you have signed up for the conference dinner (priced at SEK 500), please ensure to make the payment. If you are interested, you can also sign up and pay for the excursion (SEK 100) during this time.

Lunches

A large group (including the plenary speakers and the organizers) will head to Inspira for lunch. But you may choose to go any place you like. See, e.g., visitlund.se/en/food-and-drinks.

Coffee

The coffee breaks will be held just outside Hörmandersalen.

Excursion

An excursion to Kulturen in Lund is scheduled for Tuesday afternoon. There will be a one-hour guided tour titled "The history of Lund – a journey through a thousand years" followed by free time at this indoor and an open-air museum. You can sign up for the excursion at the registration.

Conference dinner

The dinner will be held at Restaurant Ishiri (Bytaregatan 14) on Thursday starting at 18:30. Please note that participation requires prior registration, and we kindly request that you complete your sign-up no later than August 10.
